GUIDELINES FOR POSTER DISPLAYS

POSTER DESIGN

- It is mandatory to **indicate your new abstract number in the upper right corner** of the poster
- The title of your poster should be at the top, in large letters to get the viewer's attention.
- Posters should then display the authors, institutions of origin and contact details (contacts detail optional).
- Your goal is to convey a clear message and support it with a compelling combination of images and short blocks of text.
- All text on the objectives, methods, results, and conclusions needs to be kept brief.
- Every element, including graphs and tables must be easily readable from a distance of 2 metres.
- Consider how best to use colour, photos, charts, and pictures to enhance the information.
- All poster authors will be emailed with the details of the **poster printing services**, who will be able to deliver your poster right to the convention centre!
- Kindly note that in the delivery address field, submitters should simply write "ESPEN 2022".
- Handouts of your abstract / poster (with your addresses) to your interested readers may facilitate future research communication.

POSTER DIMENSIONS

- Orientation format: **Portrait**
- Poster maximum size: **1189 mm of height and 841 mm of width**

POSTER DISPLAY AT THE CONGRESS

Poster boards:

Each poster board is numbered, corresponding with your abstract number and in the topic your abstract was submitted under.

Fixation:

Material will be provided on site at the Poster Desk. Push pins, staples, etc. are NOT allowed.

Set-up and dismantle:

Authors are fully responsible for the set up and dismantling of their poster according to the schedule given.

In order to allow free discussion on your poster, please ensure that the presenting author is present at your poster during the display day. It is mandatory to ensure fruitful discussions, during the poster visit session, that the presenting author or one co-author stays in front of the poster during the poster viewing session at least from 12.00 to 12.30.
