### GUIDELINES FOR POSTER DISPLAY

#### POSTER DESIGN

- If your abstract is accepted as a poster, you will be requested to be available for discussion during the corresponding poster viewing session (see below)
- It is mandatory to indicate your new abstract number in the upper right corner of the poster
- Don't overload your poster. Remember, you are not writing an article
- Seek simplicity, keep text to a minimum and avoid redundancies
- ESPEN is keen to adopt new ways of poster presentation and design. We thus encourage our poster presenters to refer to the following article and guidelines when preparing their poster
  - See the article [here](#)
  - Download the BetterPoster Template [here](#)
  - Upload and order the final version of your poster [here](#)
- Handouts of your abstract / poster (with your contact details) to your interested readers may facilitate future research communication
- QR codes linking to scientific content can be included on the poster
- Prepare a short (< 4 minutes) oral guide through your poster to be presented to interested participants during the Poster viewing

#### POSTER DIMENSIONS

- Orientation format: **Portrait**
- Maximum usable surface / maximum Poster size: **900mm of height and 800 mm of width**

#### POSTER PRINTING SERVICE

- We are pleased to inform you that this year we will be working again with the innovative PosterSessionOnline service to provide a poster printing service for this year's Congress.
- Do you want to avoid the hassle of traveling with your printed poster? Then use PosterSession Online to prepare, print, and deliver your poster to you onsite. This way you do not need to bring your poster to Prague, but you can collect your poster at the Poster pick-up desk.
- All poster authors will be emailed with the details of the poster printing in June.

#### POSTER DISPLAY AT THE CONGRESS

##### Poster boards:

Each poster board is numbered, corresponding with your abstract number and in the topic your abstract was submitted under.

##### Fixation:

Material will be provided on site at the Poster Desk. Push pins, staples, etc. are NOT allowed.

##### Set-up and dismantle:

Authors are fully responsible for the set up and dismantling of their poster according to the schedule given below.

To allow free discussion on your poster, please ensure that the presenting author is present at your poster during the display day. It is mandatory to ensure fruitful discussions, during the poster visit session, that the presenting author or one co-author stays in front of the poster during the poster viewing session at least from 13.00 to 14.00.

Commented [ET1]: Now that the PT on SAT are during lunch, also the Poster Displays are then, or stay as before during coffee break?
